The figure consists of two maps. The left map shows the irregular shape of Majasaari island with a yellow boundary line. Inside, two sections are labeled '2999a' and '2999b'. The right map shows the more elongated shape of Vanhimmansaari island, also with a yellow boundary line. This island is divided into eight numbered sections: 1, 2, 5, 6, and 8.

# PURUVESI

A map of the Haataanselk\* area, which includes the Haataansarentti and Haataansaaari regions. The map shows several numbered plots (1, 5, 8, 12, 15) and a network of roads. The word "HAATAANSAARI" is written across the southern part of the map.
